Go Wild in Muskingum County

One of Ohio's most unique destinations is right here in Muskingum County.

A place where threatened and endangered animals from all over the world – rhinos, giraffes, and antelope – live in mixed-species groups, roaming expansive natural habitats...A place where scientists and educators are working to better understand and conserve the world's animals and natural resources...A place where visitors are welcome to encounter and learn about nature and wildlife...a place called The Wilds.

The signature experience is exploring The Wilds on an Open-Air Safari Tour that allows for up close encounters with these amazing species living in open-range habitat. These tours run on a shuttle system through the open pasture areas and this tour offers outstanding opportunities for wildlife viewing and photography.

Overnight accommodations are available on site through Nomad Ridge at The Wilds – an exclusive, adults only (21+) stay in a private yurt overlooking the sweeping views of The Wilds' animal pasture areas. Each luxury yurt features an attached deck and indoor private bathroom and shower. Also included is a daytime Open-Air Safari Tour, concierge service, dinner, and breakfast. A fun-family option is The Wilds' Cabins at Straker Lake. Nestled among stunning serene landscapes are seven cabins each equipped with a kitchen, comfortable living area, two bathrooms and three bedrooms accommodating up to 6 guests. The cabins are perfect for family getaways or corporate retreats. A private luxury cabin tucked away against one of the most scenic lakes is The Lodge at The Wilds. This is also a wonderful option with accommodations for up to 12, comfortable living and dining areas, fully equipped kitchen, and access to the lake. Don't miss an exclusive and unique overnight experience sleeping under the stars with rhinos, giraffes, and other rare species close by at The Wilds Outpost Facility. Sleeping bags, cots or air mattresses while tent camping is a perfect way to immerse yourself in The Wilds.

During your visit be sure to make time for Horseback Safari Tours, Zipline Safaris, strolling through the Butterfly Habitat Trail, Fishing Safaris, Mountain Biking, Sunset Safaris, Wildside Tours, dining at Overlook Café and shopping at the Gift Market.

Advanced reservations required. Please visit www.thewilds.org for full details.
